Dear Sir or Madam;

Attached is the Form 990 EZ for the DUSTOFF Association, Incorporated for our Fiscal Year ending 30 April 2011. Our EIN is 20-4474137.

Our structure has not changed. Our mission has not changed. Our membership make-up has not changed except to increase the percentage of combat veterans due to the large numbers serving in the Global War on Terror. We remain well above the required percentage for our classification. We inducted two more honorees into the DUSTOFF Hall of Fame and awarded a \$1,000 scholarship in cooperation with the Army Aviation Association of America. Additionally, we donated \$1,000 to Operation Second Chance, an organization helping Wounded Warriors. We also provided funding support for the final editing of a recently published book entitled "Call Sign DUSTOFF."

No contributor donated over \$1,000 - therefore Schedule B is NOT required this year as it was last year.

Should there be any questions, please direct them to myself at the Association address shown on the Form 990.

Proud to Serve
